Joseph Beckemeyer appeals the judgment affirming the decision of the Board of Trustees for The Firemen's Retirement System of St. Louis ("Board") denying Beckemeyer's application for accidental disability retirement benefits.

Division One holds:

The Board's decision is supported by competent and substantial evidence, is not arbitrary, capricious, unreasonable, or an abuse of discretion, and is authorized by law. Therefore, the Board did not err in denying Beckemeyer's application for accidental disability retirement benefits.
