**MISSOURI APPELLATE COURT OPINION SUMMARY  
MISSOURI COURT OF APPEALS, WESTERN DISTRICT**

**KWANG H. KIM, Respondent, v.  
WON IL KIM, Appellant**

**WD76414**

**Jackson County**

Before Division Four Judges: Welsh, C.J., Ellis, and Newton, JJ.

Won Il Kim appeals from the circuit court's dismissal with prejudice of his pro se "motion" for malicious prosecution.

**APPEAL DISMISSED**

**Division Four holds:**

Won Kim's brief flagrantly and repeatedly violates Rule 84.04's requirements concerning the contents of briefs. The failure to substantially comply with Rule 84.04 preserves nothing for review. We prefer to decide cases on the merits, but we feel compelled to dismiss because Won Kim's brief is so flagrantly deficient that we are not able to conduct a review of his case without becoming an advocate for him.

Opinion by James Edward Welsh, Chief Judge

April 15, 2014
