

ADULT COURT SERVICES MONTHLY CHECK-IN

brought to you by ACS, Boone County's pretrial and misdemeanor probation office

THE FIRST CHECK-IN

In my 19 years with Adult Court Services, I've held the roles of secretary, officer, and now supervisor. Over the years, I have overseen every program ACS offers and have also been involved in launching new programs. I've seen programs nearly disappear but quickly rebuilt. Those programs grew into the strong services they are today thanks to the hard work of many people.

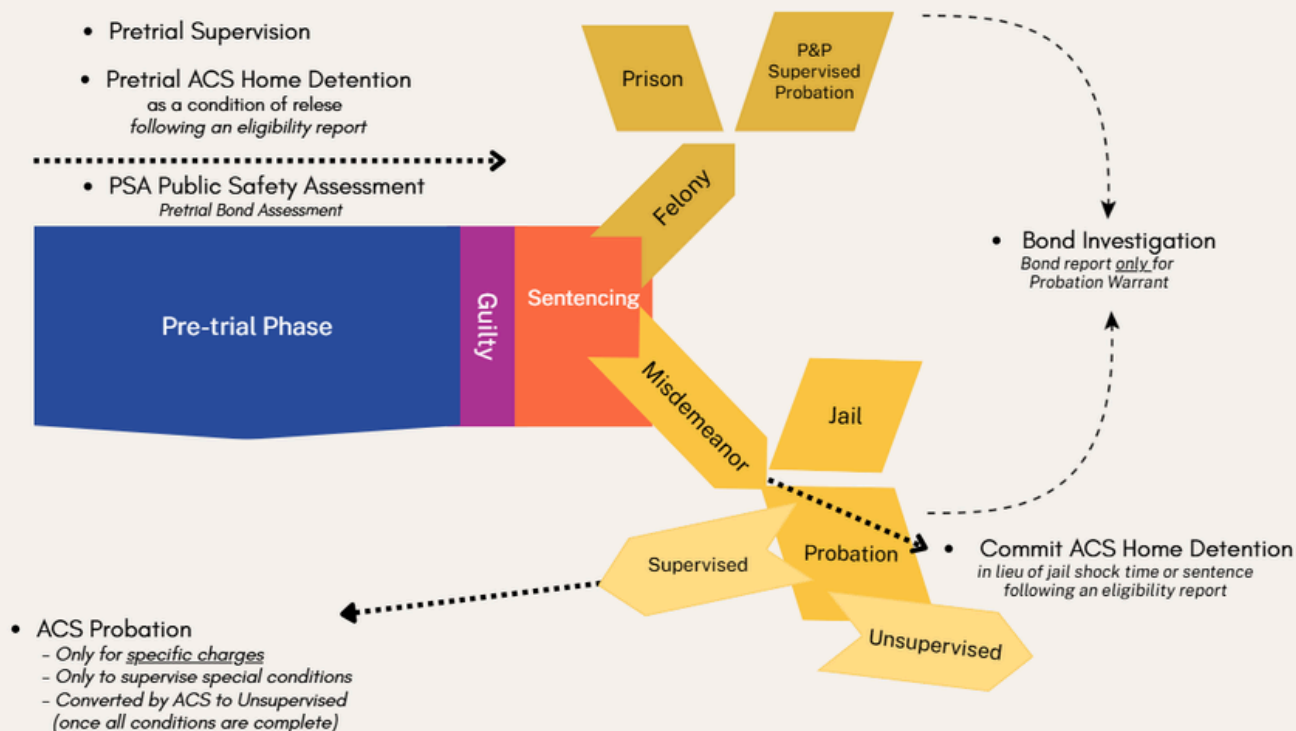

When I stepped into the role of supervisor three years ago, one of my goals was to both better understand those who professionally interact with ACS and to provide more transparency about what ACS does.

The ACS Monthly Check-In will be your source of information—a go-to document for key updates about Adult Court Services. Each edition will highlight processes, program developments, and insights that connect our work with yours. We'll begin with a visual overview: an infographic mapping our programs across the justice system.

See you at the next check-in! *Diana Winn*
