1. **Bond Interviews:** ACS will email in-custody defendants prior to bond hearing to obtain information (pertinent to Rule 33), as set forth in Administrative Order 15-25. The response to the email will be e-filed by ACS. Below is an example of the email ACS will send defendants

Hello. I work for Boone County Court Services. I am not police, and I am not a lawyer.

I need to ask you some basic questions about you and the community. A judge will use your answers to help decide your release.

Please only answer the question being asked. DO NOT talk about your case.

Your answers must be true. What you tell me will be given to your lawyer, the judge, and the prosecutor for your bond hearing.

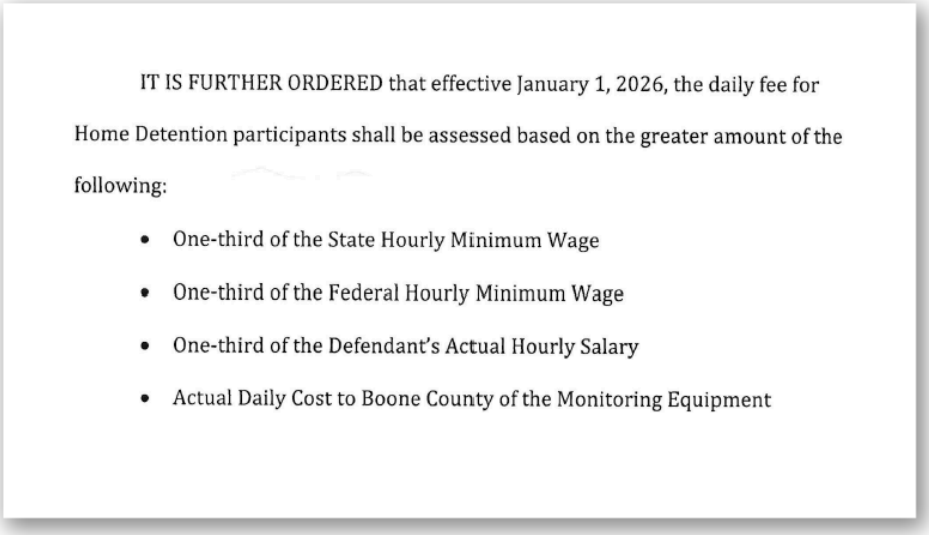

You do not have to answer any question you do not want to. If you choose to answer, please reply within 24 hours.

Here are the questions:

1. Where do you plan to live when you leave jail?
2. If your case has an alleged victim, does that person live at the same address you wrote in question 1?
3. If you live in Boone County, how long have you lived here?
4. Do you have family in Boone County? Please list their names and how they are related to you.
5. Do you have a job? If yes, where do you work and how long have you worked there?
6. Has a doctor ever told you that you have a mental health condition?
7. Have drugs or alcohol caused problems for you? (at home, at work, or with your health)

Thank you. If you do not want to answer these questions, please reply to let us know and we will not ask again.

2. **Home Detention daily fee reduction:** In 2024, fees were cut in half. In 2026, the fee equation will be reduced again, as set forth in A.O. 17-25

IT IS FURTHER ORDERED that effective January 1, 2026, the daily fee for Home Detention participants shall be assessed based on the greater amount of the following:

- One-third of the State Hourly Minimum Wage
- One-third of the Federal Hourly Minimum Wage
- One-third of the Defendant's Actual Hourly Salary
- Actual Daily Cost to Boone County of the Monitoring Equipment
