ADULT COURT SERVICES MONTHLY CHECK-IN

brought to you by ACS, Boone County's pretrial and misdemeanor probation office

THE WEBSITE CHECK-IN

Technology puts valuable resources at our fingertips, but those resources only make a difference if we know where to find them. This check-in will highlight the resources available on the Adult Court Services section of the **13th Judicial Circuit Court's website**. Designed to support judges, attorneys, and court staff—as well as defendants and their families—the website provides clear, accessible information about ACS programs. I encourage you to explore these tools and share them with anyone who may benefit from them.

See you at the next check-in!
