Please note that most not-for-profit organizations or government agencies qualify as approved Community Service Work sites. This includes any school public or private, and any church. **If you are unsure if an agency would qualify, please check with your Juvenile Officer.**

You must call the agency before you show up to work to inquire about restrictions and hours available at all times while you are performing Community Service Work. All Community Service work must be signed off on by the person supervising you at the work site. You must have the date and times you worked, as well as the agency name, contact person, and phone number written legibly on your Community Service Work or Restitution time sheet.
